Dear Mr. Wiehahn,

SUBJECT: APPLICATION FOR APPROVAL AND PUBLICATION FOR CIVIL ACTIVITY USE AIRSPACE FYA137, FYA138, AND FYA139.

1. Reference is made to your application letter dated 23 August 2024 for approval and publication for Civil Activity Use Airspace FYA137, FYA138, and FYA139 in accordance with NAMCAR (NAMIBIA CIVIL AVIATION REGULATIONS) part 71.05.6.
2. After careful consideration, we are glad to inform you that your application for approval and publication for Civil Activity Use Airspace FYA137, FYA138, and FYA139 has been granted approval by the Namibia Civil Aviation Authority in terms of NAMCARs Part 71.05.6, and the following conditions should be met prior to publication of such Airspace in the Aeronautical Information Publication (AIP):
 - 2.1 General condition,**
 - a) The applicant is responsible for the submission of the AIP SUP request for publication to the AIM office.
 - b) Arrangements and conditions for the use of areas designated as permanent civil activity use airspace must be coordinated with Air Traffic Services (ATS).
3. The applicant must ensure that the published gliding area under Namibian AIP ENR 5.5 is amended to comply with NAMCARs PART 71.5.6 (2) (c).
4. Should there be any query, please feel free to contact ANSSO at ansso@ncaa.na

I trust that you find the above in order.

Yours sincerely,

Ms. Toska Sem
Executive Director
